Importance: Normal

As a resident of Benholm I wish to support the application of Mill of Benholm Enterprise to transfer ownership of The Mill of Benholm from Aberdeenshire Council to The Mill of Benholm Enterprise.

The reopening of this amazingly special place to locals and visitors will bring so much pleasure. It has been greatly missed since it's closure and so sad to see the deterioration. I am confident the Enterprise will work hard to return it to the asset for the community it once was.

We would like to record our enthusiastic support for the Community Asset Transfer of the Mill of Benholm from Aberdeenshire Council to the Mill of Benholm Enterprise charity.

The Mill has suffered from complete neglect by Aberdeenshire Council, with this Asset Transfer being refused for spurious reasons on numerous occasions over the last 6-8 years. As a result the Mill is now in acute danger unless it can be restored immediately.

With the sincere hope that it is not too late, and that Aberdeenshire Council provides every support to carrying out this transfer as soon as possible, with no further delay or need for payment.
